DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with George Likourezos on 06/02/09.

In claim 1, line 10, delete the phrase "wherein the combining means are operative if" has been replaced with ---wherein the combining means are operative when---

In claim 2, line 9, delete the phrase "wherein the combining means are operative if" has been replaced with ---wherein the combining means are operative when---

In claim 3, line 9, delete the phrase "wherein the combining means are operative if" has been replaced with ---wherein the combining means are operative when---

In claim 9, line 12, delete the phrase "means for combining is operative if" has been replaced with ---means for combining is operative when---

Allowable Subject Matter

Claims 1-3 and 5-20 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 3 and 9, the prior art fails to teach "wherein the combining means are operative when the requested step size is less than the minimum available step size", as cited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tu Nguyen whose telephone number is 571-272-7883.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Edward Urban, can be reached at (571) 272-7899. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
